**NSS EXTENSION ACTIVITY REPORT**

National Service Scheme (NSS) II/IV B.Tech. students are organised an extension activity in collaboration with ECE & Civil dept. that involves conducting a door-to-door survey about the problems faced by residents in village.

The primary objective of the door-to-door survey is to gain insights into the challenges and concerns faced by the residents in thatituru village. The information collected will be used to identify areas that require attention and to propose potential solutions. By engaging in this survey, NSS Students aim to contribute to the betterment of our community and enhance their outstanding of local issues.

**Title:** Door-to-Door Village Survey Report

**Program agenda:**

**Target Audience:** Village People

**Venue:** residents in thatituru village, Bheemili mandal.

**Audience Strength:** village houses

**Volunteers Strength:** 24 (Boys:15, Girls:9)

**Program duration:**one day

**Program Objectives:**

- To assess the socio-economic conditions of Thatituru village residents.
- To identify healthcare needs and educational levels within the community.
- To gather information on the awareness and participation of residents in National Service Scheme (NSS) activities.

**Methodology:**

Detail the survey methodology, including:

- Selection criteria for households – 100 houses
- Training of surveyors or volunteers.
- Data collection tools and techniques.
- Timeframe for conducting the survey.

**Sample Population:**

Provide information on the demographics of Thatituru village, including population size, age distribution, and socio-economic characteristics.

**Findings:**

Present the key findings from the survey. This may include data on:

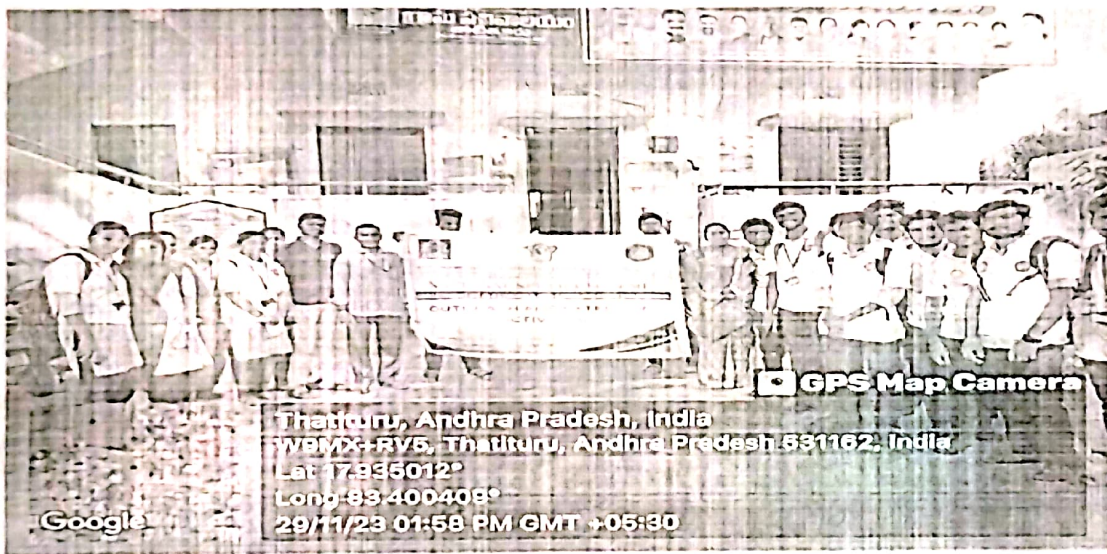

- Household income levels.
- Education levels and literacy rates.
- Health and sanitation conditions.
- Participation and awareness of NSS activities.
- Any other relevant information gathered.

**Recommendations:**

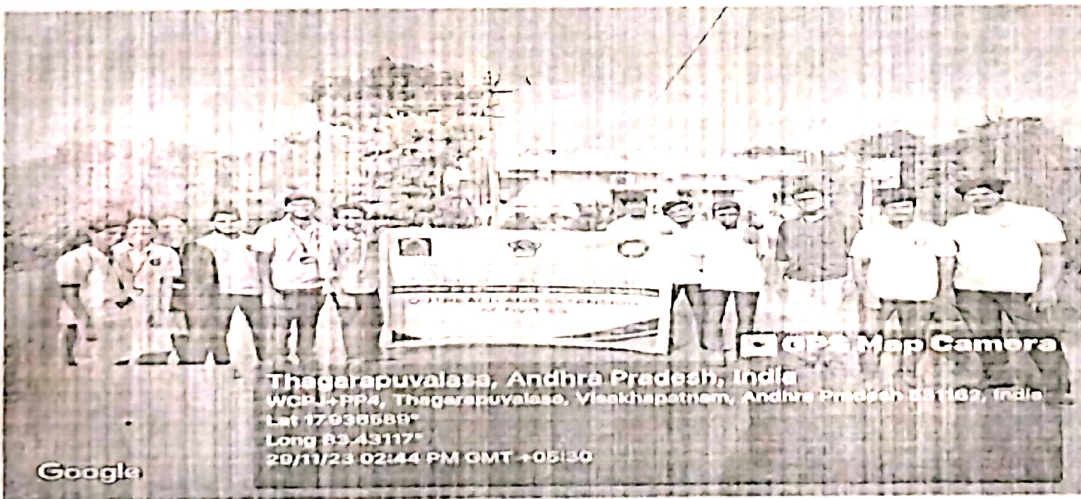

Based on the findings, provide recommendations for potential interventions or initiatives that could address identified needs within Thatituru village. This might include suggestions for community development programs, educational outreach, or NSS awareness campaigns.
