## Report on Pongal Event - Conducted by Civil Engineering Student Club VAISISTYA

**Title of Event :** Pongal Celebrations - Rangoli and Tug of War Competitions at Civil engineering department, ANITS by Civil Engineering Student Club VAISISTYA

**Date of Event :** 12-01-2024.

**Venue of Event :** H-Block

**Participants :** B.Tech Civil students

**Number of Participants :** 35

**Faculty Co-ordinator :** P.Sumanjali  
Assistant Professor  
Dept. of Civil Engg.  
ANITS.

### **Objective of the Event:**

The Pongal celebration aims to not only celebrate a cultural festival but also contribute to the holistic development and cultural enrichment of the college community.

### **Details of the Event:**

The vibrant festival of Pongal was celebrated with great enthusiasm at XYZ College, bringing together students and faculty in a spirit of joy and camaraderie. The event featured traditional activities such as Rangoli competitions and Tug of War, fostering cultural engagement and friendly competition among the college community.

**Rangoli Competition:** The Rangoli competition showcased the artistic talents of students who enthusiastically participated in creating vibrant and intricate designs using colored powders, flowers, and other decorative materials. The theme of the competition revolved around celebrating the essence of Pongal, incorporating elements like sugarcane, traditional pots, and the auspicious 'kolam' patterns.

Participants displayed creativity and skill as they transformed open spaces across the college campus into visually stunning canvases. The judging panel, comprised of faculty members and external experts, evaluated the entries based on creativity, adherence to the theme, and overall visual impact. The Rangoli competition not only highlighted the artistic prowess of the students but also served as a platform to promote cultural appreciation and expression.

**Tug of War:** The Tug of War competition added a dose of excitement and friendly competition to the festivities. Teams from different departments and classes demonstrated their strength, teamwork, and strategy as they engaged in spirited tugs to emerge victorious. The event drew a large crowd of spectators, cheering for their favorite teams and creating a lively atmosphere. The Tug of War competition served as a platform for students to showcase their physical prowess and team spirit, fostering a sense of unity and healthy competition. The camaraderie among participants reflected the college's commitment to holistic development, emphasizing not only academic excellence but also physical fitness and teamwork.

**Conclusion:** The Pongal celebrations at Civil Engineering Department, ANITS, featuring Rangoli and Tug of War competitions, were a resounding success, bringing the college community together in the spirit of festivity and cultural appreciation. These events not only showcased the

diverse talents of the students but also promoted a sense of unity and pride in the college's cultural heritage. The success of these celebrations underscores the importance of organizing such events to foster a vibrant and inclusive campus environment.
